### PROJECTS

#### Social Media Calendar Ecommerce Website

We believe that social media has become the world's most important place for branding, marketing, and sales. Our products help you streamline your social media strategy and content creation so you can set yourself up for more sales and success.

#### Technical Knowledge Blogging Website

A blog (a truncation of "weblog") is a discussion or informational website published on the World Wide Web consisting of discrete, often informal diary-style text entries (posts).

#### eLearning Management System

A learning management system (LMS) is a software application or web-based technology used to plan, implement and assess a specific learning process

#### Sorting Algorithm Visualizer

This project helps one to visualize a sorting algorithm. Each element of the array is displayed as a bar. Languages used HTML,CSS, Javascript.

### TESTIMONIALS

#### Tina Haibodi

"Mohd Ahasan Khan was great and not only completed the job to the best of his ability but under the allotted time and budget! He was quick to communicate about issues and think on his feet. Great to work with! "

#### Christopher Robinson

" This is the second time working with Mohd Ahasan Khan and I could not be happier. He is extremely easy to communicate with and delivers projects quickly. It is hard to find good talent and Mohd Ahasan Khan is very talented! "

#### Brent Ramirez

" Amazing front-end developer. Tap helped build out our web app and will add value to any future project he works on. Works quickly. Easily adaptable. And helped form solutions to problems that popped up along the way. Wed happily hire him again. "

#### Sagnik Majumder

" Tapajyoti is one of the most sincere and hardworking people I ever met. He always delivers on time and is ready to take up the next challenge. He will be an asset for any team. Wishing him all the best for his career. "
